

# Climate and Water: Ecological Crisis, Spiritual Challenge

Thursday evening, July 8, 2010 – Sunday, July 11, 2010, 1:00 PM

*“Water is the primary medium through which climate change will impact people, ecosystems and economies.”*

Global Water Partnership

Our planet is in a climate and water crisis.  
At the deepest level, facing this ecological crisis calls for  
a spiritual shift.

This program, on the beautiful Atlantic coast,  
gently invites you to explore this shift  
through reflection, ritual, prayer, sharing and action.

*Presenters:*

*Suzanne Golas, csjp*

*Joan Carey, ssj*

*Cost: \$285*

*Deposit: \$75*
